LinkedIn: [linkedin.com/in/nidha_fazlin09](https://www.linkedin.com/in/nidha_fazlin09) | GitHub: github.com/nidha-fazlin

PROFILE

Computer Science Engineering student with a strong interest in web development, programming, and emerging technologies. Actively involved in technical communities and continuously building hands-on projects using modern development tools. Passionate about problem-solving, learning new technologies, and contributing to collaborative tech initiatives.

TECHNICAL SKILLS

- Programming Languages: Python, C, JavaScript
- Web Technologies: HTML, CSS, React.js
- Database: SQL
- Version Control: Git, GitHub
- Tools: VS Code, Cursor AI
- Concepts: Data Structures, Problem Solving, API Integration

SOFT SKILLS

- Communication
- Leadership
- Team Collaboration
- Time Management
- Critical Thinking
- Problem Solving

EDUCATION

B.Tech in Computer Science Engineering – Sree Narayana Gurukulam College of Engineering
(2025–Present) | CGPA: 7.95/10

Class XII – Darussalam Public School, Pallikkara (2024–2025)

Class X – Darussalam Public School, Pallikkara (2022–2023)

PROJECTS

- Search Engine Interface: Developed a responsive search engine homepage with a clean and modern user interface.
- Weather App Using API: Built a weather application that displays real-time weather data using API integration.
- Budget Tracker: Created an expense tracking system to manage income, expenses, and balances.
- To-Do List Application: Developed a task management application with add, edit, delete, and completion features.
- Login and Registration Interface: Designed responsive authentication screens with form validation.

CERTIFICATIONS

NPTEL Online Certificate (Python for Data Science)

LEADERSHIP & COMMUNITY INVOLVEMENT

Active participant in technical communities, workshops, bootcamps, and professional development initiatives.

ACHIEVEMENTS

- Built multiple web development projects and maintained an active GitHub portfolio.

LANGUAGES

- English (Professional Proficiency)
- Malayalam (Native Proficiency)
